1:00 pm - 3:00 pm

Robinson Nature Center  
6692 Cedar Lane, Columbia, Md 21044

**If you are a woman, minority or person with a disability  
who owns a business,  
we are here to help you obtain your certification!**

Minority participation goals are set by government agencies for procuring goods and services. In order for a minority- or woman-owned business or a business owned by a person with a disability to count towards these goals, the business must be certified.

Join representatives from Howard County Government, the State of Maryland and the US Small Business Administration who will share information on local, state and federal certifications beneficial for government contracting.

**This workshop is free, but space is limited. Advance registration is recommended.**
